Re: extension of jurisdiction - Village Court at Begur over certain other villages.

SIR,

I have the honor to state that the Deputy Commissioner, Bangalore District, reports in his letter No. B.5-2704/26-27 dated 7th February 1927 that the Village Munsiff's Court at Begur was not working for the past 4 years for want of a proper Chairman and that a communication was made to the Amildar to the effect that if the Court is to continue its existence, a recommendation may be made selecting a proper Chairman with a list of the villages that may be grouped with Begur. The Amildar recommends that one Mr. Annayappa, patel of the village, may be appointed as Chairman of the Court for a year on an experimental measure and that the marginally noted villages which are within a radius of five miles from Begur may be grouped with the Court at Begur. In concurring with the Amildar's opinion, the Deputy Commissioner recommends that the jurisdiction of the Court at Begur may be extended over the villages mentioned in the margin.

2. Devarachikkanahalli.
